LETTER

Facsimile No. (703) 872-9095
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

On July 25, 2002 Applicant timely filed an Amendment by facsimile in response to the Office Action dated June 27, 2002. Applicant received an Auto-Reply Facsimile Transmission form indicating safe receipt of the facsimile by the U.S. Patent and Trademark Office. However, Applicant received a Notice of Abandonment on April 17, 2003 indicating that no reply to the Office Action of June 27, 2002 was received. A teleconference with Examiner Boykin confirmed the status of the situation. As per the conversation with Examiner Boykin, Applicant submits herewith a copy of the Auto-Reply Facsimile Transmission form, Amendment filed on July 25, 2002, and Certificate of Transmission dated July 25, 2002.

In light of these documents, Applicant respectfully requests that the Notice of Abandonment be withdrawn, the Application be revived and the Amendment be considered. Applicant does not believe there are any charges associated with this letter. If there are any additional charges with respect to this letter, Amendment or otherwise, please charge them to Deposit Account No. 07-0862 maintained by the Assignee. Additionally, Applicants respectfully request confirmation upon receipt of this facsimile transmission.

Respectfully submitted,

CANTOR COLBURN LLP
